Hertford St Andrew SEND & Disability Policy

1. Introduction

We provide all pupils with the knowledge, understanding, attitudes, values and skills they need in order to reach their full potential and ***let their light shine***. The National Curriculum is our starting point for planning that meets the specific needs of individuals and groups of children. When planning, teachers set suitable learning challenges and respond to children's diverse needs.

A minority of children have particular challenges to learning. These requirements are likely to arise as a consequence of a child having a special educational need. Teachers take account of these requirements and make provisions, where necessary, to support individuals or groups of children and thus enable them to participate effectively in curriculum and enrichment activities.

This policy ensures that curriculum planning and assessment for children with special educational needs takes account of the type and extent of the difficulty experienced by the child.

2. Aims

Our SEND policy aims to:

- Set out how our school will support and make provision for pupils with special educational needs and disabilities (SEND)
- Explain the roles and responsibilities of everyone involved in providing for pupils with SEND
- Ensure that all pupils, whatever their SEND, receive appropriate educational provision through a broad and balanced curriculum that is relevant and adapted and that enables progression in learning.
- Enable each pupil to experience success and fulfill their potential.
- Ensure that pupils with special educational needs and disabilities have equal opportunities to take part, as far as is appropriate, in all aspects of the school's provision.
- Identify, assess, record and regularly review pupil's progress and needs.
- Involve parents/carers in planning and supporting all stages of their child's development.
- Provide all pupils with strategies for dealing with their needs in a supportive environment and give them meaningful access to the National Curriculum.

3. Legislation and guidance

This policy and information report is based on the statutory [Special Educational Needs and Disability \(SEND\) Code of Practice](#) and the following legislation:

- [Part 3 of the Children and Families Act 2014](#), which sets out schools' responsibilities for pupils with SEND and disabilities
- [The Special Educational Needs and Disability Regulations 2014](#), which set out schools' responsibilities for education, health and care (EHC) plans, SEND coordinators (SENCOs) and the SEND information report
- [Equality act \(2010\)](#)

4. Definitions

A pupil has SEND if they have a learning difficulty or disability which calls for *special educational provision* to be made for them.

Special educational provision is educational or training provision that is additional to, or different from, that made generally for other children or young people of the same age by mainstream schools.

They have a learning difficulty or disability if they have:

- A significantly greater difficulty in learning than the majority of others of the same age.

or

A disability which prevents or hinders them from making use of facilities of a kind generally provided for others of the same age in mainstream schools.

The school aims to work closely with parents and we hope that parents who have any concerns or anxieties will, in the first instance, raise these with the class teacher or SENCO.

We find that nearly all concerns or potential complaints can be resolved satisfactorily through discussion. The school's complaint procedures are set out on the school website.
