The Journey

- 9 The brave adventurer fought his way through the tangle
21 of ivy and looked up at the tall, grey tower. Finally, he
24 had made it.
- 34 Not wanting to waste a moment longer, he began the
42 treacherous journey towards the open window at the
50 very top. Eventually, with scraped hands and bruised
53 shins, he arrived.
- 61 Immediately, he was greeted by a disinterested figure
65 with exceptionally long hair.
- 74 "You took your time," she complained – taking the box
84 from the man's hands. "I ordered over an hour ago."
94 She picked a grey shape from the pizza inside. "Yuck!
104 I said no mushrooms! Take it back and make me
106 another one."
