

Let your light shine...

HSA NEWSLETTER

18TH SEPTEMBER 2026

Happy Friday!

We have been planning our enrichment offer for the next term - so many exciting opportunities are coming up. We are delighted to have Herts Cricket back in school coaching all of our children in PE lessons and providing an after school club for us. We will also be welcoming rugby coaches to school.

Our **clubs letter goes out today** and there are lots of new things for children to try - from signing to gardening to football. We will also be creating our first school newspaper. Please make sure you sign your child up for something you think they will enjoy for 10 weeks. We encourage all children to attend until the end of the club run so they don't miss out. Remember, places are limited so get booking!

We are also preparing for our **Curiosity Day on 22nd October** where children will have the chance to try new things as our theme is "Being Curious about Me and Us". Breakfast Club will be hosting our **"Marmite Versus The World"** contest as we find out if we really love it or hate it!

We are planning another HSA Late for KS2 this term: **Quiet Guy Fawkes Night** - children can join us for glowsticks and jacket potatoes under the stars. KS1 will celebrate during the school day. The last event I'm going to casually mention is the all new **"HSA's Got Talent"** Show. Watch this space...

Fawkes Night

ATTENDANCE CUP

The Attendance Cup is back!

And this week's winner is...

Willow's attendance was 98.8%.

A great start to the year- well done Willow!

If chicken pox has affected your child's attendance, don't worry - they will soon catch up when they are back in school. Every child should be in school 96% of the time unless there is serious medical need. We will contact you if your child's attendance drops to 92% to see how we can help you and support your child.

Every child deserves to be in school as much as they can.

Shining Lights Awards

Let your light shine

22 children were nominated today for their efforts including enthusiasm in reading, cooperation with peers, making an amazing poster about skeletons and persevering with writing with the opposite hand after a wrist injury!

News

Code of Conduct

If you joined us for parent welcome meetings, you will already have your copy of the code of conduct. If you couldn't join us, we will send a copy home next week. Please do remind yourself of the promises we make to each other when we become part of the community at HSA.

PE Kit

Please make sure your child has PE Kit in school every day. It is really important that they have trainers in school. We run every day as part of 10 for 10. Children can't run in school shoes. We don't want them to miss out on their daily fitness building.

House Patrons

Meet our new House Patrons, democratically elected by children last week. They are: Gareth Southgate, Michelle Obama, Michael Rosen and the late great Dolly Parton. They represent our values and we will learn more about their lives and impact as the year progresses.

New Nursery and Pre School

We have broken ground on the new building! We are on track to open our Pre School and extend our Nursery in the Summer Term. If you have a child who will be 2 or older in April, please do register with the Office now to get to the top of the interest list.
