

Let your light shine...

HSA NEWSLETTER

2ND OCTOBER 2026

Happy Friday!

We are happy to share that our school has achieved the **School Games Mark Gold Award** for the second year running! This represents all the fantastic achievement of our children at a huge range of events from Sports Leadership to frisbee tournaments. Our Sports and Enrichments Leads, Mr Shasha and Miss Powala, will be aiming for gold again this year... maybe even platinum. Our Year 5 and Year 6 classes took part in a multi sports event this week at Sele School and have been praised by other schools for their supportive attitude and excellent behaviour. We are very proud.

Clubs started this week and we are enjoying seeing lots of excited (and maybe even a bit tired...) faces after school as children take part in football, table tennis, skateboarding and many other activities. Our clubs offer changes termly, so please let us know if there is something you would love to see on the list.

We have a few spaces left in some clubs, so if your child has not signed up please call the office.

Next week we will be working extra hard on looking after our things in school, so please do share this message with children.

We are doing a good job of looking after our new plants and children are making sure their learning books are well looked after so we can be proud of our learning. We're going to get even better at taking care of things as we learn to be stewards of our wonderful world.

Ms Cooper

UPCOMING EVENTS

OCT

21 Parent
22 Consultations

22 Values Day:
Curiosity. Curious
about Me and Us

23 INSET – school
closed to children

26 HALF TERM WEEK

NOV

03 HSA LATE: Quiet Guy
Fawkes Night

ATTENDANCE CUP

This week's winner is...

Willow's attendance was 96.7%.
Another win for Willow!

We will contact you if your child's attendance drops to 92% to see how we can help you and support your child. Every child deserves to be in school as much as they can.

Shining Lights Awards

Let your light shine

50 children were nominated as Shining Lights this week. Children in Y4 modelled cooperation to younger children in Sensory Circuits. In Y5, we are learning to act on feedback in our writing. Y3 have been keeping their class tidy. Well done, everyone!

School Snapshot

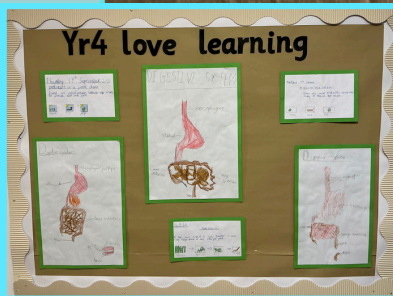

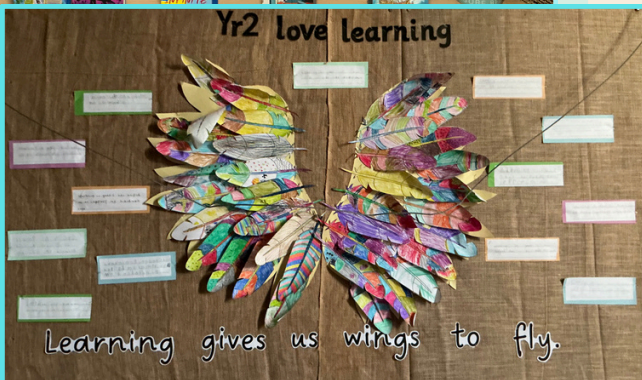

Our "Love Learning" boards are back.
Look at all we have learned so far.

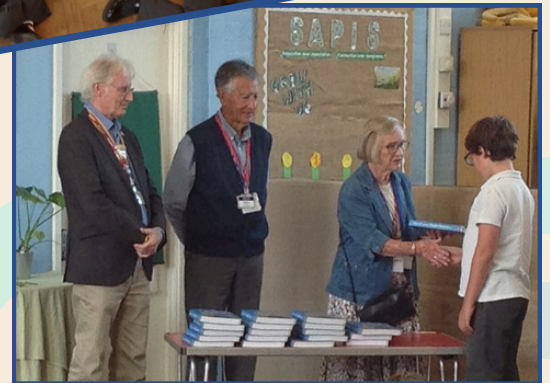

Thank you, Rotary Club!

On Thursday, the Rotary Club of Hertford visited school to present everyone in Year 6 with their own dictionary. Year 6 are excellent writers and will make good use of them.

Lunchtime Crochet

At lunch times, Mrs Want's room is a hive of activity. Crochet drop-ins are open to all stitchers. There are some impressive artworks being crocheted.

Year 3 have been learning about light and shadows, including enjoying a shadow puppet show.
