

Let your light shine...

HSA NEWSLETTER

16TH OCTOBER 2026

Happy Friday!

This week we have been working with SNG as they develop their new Local Plan for Sele. The local plan is really important to us as a school because it supports our children. SNG spoke with lots of our children this week to find out how they feel about their home and community. I'm going to share what they told me afterwards:

"We just wanted to say thank you for allowing us to work with your wonderful children yesterday. We all thoroughly enjoyed it. They were such a fantastic group: really enthusiastic and full of ideas.

I also wanted to say how lovely we thought the school was. It has such a warm and welcoming atmosphere that I wasn't at all surprised when so many of the children said that their favourite place in all of Sele Farm is their school."

This makes me so proud! We always tell children that their voice is important, that their views matter. It is great that we showed them how this works in action. I'm not sure Sele Farm is getting a Petting Zoo as some requested, but you never know!

Have a restful weekend,
Ms Cooper

UPCOMING EVENTS

OCT

21 Parent
22 Consultations

22 Values Day:
Curiosity. Curious
about Me and Us

23 INSET - school
closed to children

26 HALF TERM WEEK

NOV

03 HSA LATE: Quiet Guy
Fawkes Night

ATTENDANCE CUP

This week's winner is...

Hawthorn's attendance was 97.7%.

Attendance for each class this week was between 85.2% and 97.7%, with only 1 class above 96%.

96% is the "magic number" - children can tell you this too! They know what we're aiming for and they love to win the Attendance Cup each week. We expect all classes to have attendance over 96%. It allows for children having time off for illness.

Shining Lights Awards

Let your light shine

All children who spoke with SNG were nominated this week for using their voices so powerfully. We also had artists nominated. This has been Art Week – do ask your child what they have been learning in Art. They know a lot!

School Snapshot

"Track Tuesday" was a big success with KS2 riding bikes on the field and KS1 and Early Years enjoying a scooting session on the playground.

Children were speedy, but safe! We only allow children to take part if they are wearing a helmet. We have helmets to loan in school, but we encourage all cyclists to wear helmets outside school as well. They can prevent serious injury.

Parent Consultations

We know there is a glitch with the booking system. If you are having any problems booking an appointment, please contact the Office.

We are looking forward to seeing all of you next week to talk about how your child has settled into their new class. We want you to tell us how it's going too.
