

Love learning - Aim High - Trust God

HSA NEWSLETTER

3RD OCTOBER 2025

Happy Friday!

Children have been learning History this week. From the Ancient Greeks to the Spanish Armada, from our earliest origins as hominids in Africa to life in Anglo Saxon monasteries we have explored the history of Britain and beyond.

Children have made castles from cardboard and warships from paper. It's been a week of fully active learning.

Next week is Space Week. We encourage as many KS2 children as possible to join us for a Stargazing evening on the school field. Please book via the Office. This is the first of our very special "HSA Lates" this year. Look out for more after-hours extra-curricular learning as the year goes on.

Ms Cooper

UPCOMING EVENTS

OCT

- 6-10** Space week - please read the letter for details
- 21/22** Parent Consultation Evenings
- 20** Year 3 Stone Age Day
- 22** Year 4 Art Gallery Breakfast
- 23** Values Day - Curiosity

ATTENDANCE

It makes a big difference to children's sense of belonging when they are in school regularly. If your child has ongoing health needs, we will support them - please ask us.

It's not a duplicate - they've done the double! This week's Attendance Cup winners are... **HAZEL with 99% AGAIN!** Well done!

Shining Lights Awards

Let your light shine

Today's nominations include a special nomination for ALL OF SKATEBOARDING CLUB who all got moving on a board this week. There was also great knowledge sharing about The Mary Rose, World War II and the Sutton Hoo Burial. Well done Historians!

Learning snapshots!

In **10 for 10** we run every day For **10** minutes. Each cube we're holding is one lap. Can you see how many laps we ran?

Our big brothers and sisters help us run!
